

SAFETY DATA SHEET

1. PRODUCT AND COMPANY IDENTIFICATION

Product Name: Tork Mevon 44 (art.no. 400401-30)
Product Category: Liquid Soap
Supplier: SCA Hygiene Products AB
Address: 405 03 Göteborg
Phone. +46 (0) 31-7460000

Manufacturer: Cederroth International AB
Box 715
194 27 Upplands Väsby
Sweden
Phone. +46 (0) 20-83 83 11

Information issued by: Environmental department

2. COMPOSITION / CLASSIFICATION

a) Substances which give the product its health-risk properties:

None

b) Substances with hygienic limit for exposure:

None

<u>c) Other substances:</u>	<u>CAS No:</u>	<u>EG No:</u>	<u>Conc. (weight %)</u>
Aqua	7732-18-5	231-791-2	50-100%
Sodium Lauryl Sulphate	68891-38-3	500-234-8	1-10%
Sodium C14-17 Alkyl Sec Sulfonate	85711-69-9	288-330-3	1-10%
Cocamidopropyl Betaine	61789-40-0	263-058-8	1-10%
PEG 200 Glyceryl Stearate	51158-08-8		1-10%
C11-14 Isoparaffin	64742-47-8	265-149-8	1-10%
Sodium Chloride	7647-14-5		1-10%
Methyldibromo Glutaronitrile, Phenoxyethanol	98668-04-3		0,05%
Citric Acid	77-92-9	201-069-1	<1%

Version:

Date: 98-06-30 2001-08-03

SAFETY DATA SHEET

3. HAZARDS IDENTIFICATION

The product is not classified as hazardous to health or environment.

4. FIRST-AID MEASURES

Inhalation:	Not relevant
Skin contact:	Not relevant
Eye contact:	Rinse with water
Ingestion:	Rinse mouth with plenty of water or milk and seek medical advice.

5. FIRE-FIGHTING MEASURES

The product is not classified as flammable.

6. ACCIDENTIAL RELEASE MEASURES

Rinse with water.

7. HANDLING AND STORAGE

Does not require any special handling.
Store at temperatures between 0 and 30° C.

8. PERSONAL PROTECTION / EXPOSURE CONTROLS

Not relevant

Version:

Date: 98-06-30 2001-08-03

SAFETY DATA SHEET

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state:	Clear liquid
Colour:	Colourless
Odour:	-----
pH:	5,5
Viscosity:	1 000 cps
Boiling:	100° C
Melting-point:	-----
Melt-/freezing point:	-----
Solubility:	Soluble in water
Density:	1,045 g/ml

10. STABILITY AND REACTIVITY

Stable at least 3 years under normal circumstances.

13. DISPOSAL CONSIDERATIONS

According to local regulations.

11. TOXICOLOGICAL INFORMATION

Eye contact: Can cause redness

Ingestion: Can cause a slight irritation in mouth, throat and stomach.

14. TRANSPORT INFORMATION

Not restricted

12. ECOLOGICAL INFORMATION

Easily decomposable.

On basis of the ingredients the product is not environmentally hazardous.

15. REGULATORY INFORMATION

Not applicable. Refer to national regulations.

Further: The product is regulated by EEC directive for cosmetics 76/768/EEC and the Swedish implementation LfvS 1995:22

Version:

Date: 98-06-30 2001-08-03
