| Part # | RUK Code    | Description/Omschrijving              | SKU VM |
|--------|-------------|---------------------------------------|--------|
| 16     | PN-016      | Igniter assy                          | 832410 |
| 19     | PN-019      | OPERATION UNIT                        | 832411 |
| 20     | PN-020      | Frost Sensing Thermistor              | 832412 |
| 40     | PN-040      | Front panel all assy (Internal)       | 832413 |
| 100    | PN-100      | Large burner body (32)                | 832418 |
| 101    | PN-101      | Burner gasket (32)                    | 832419 |
| 102    | PN-102      | Large burner (32)                     | 832420 |
| 105    | PN-105      | Burner body (26)                      | 832415 |
| 106    | PN-106      | Burner gasket (26)                    | 832416 |
| 107    | PN-107      | Burner (26)                           | 832417 |
| 110    | PN-110      | Fan                                   | 832421 |
| 114    | PN-114      | GAS CONTROL ASSEMBLY                  | 832422 |
| 115    | P32iKBX-825 | 32i&e KBM/N Series O-Ring (Gas Valve) |        |
| 116    | PN-116      | Gas pipe assy                         | 832424 |
| 117    | PN-117      | Gas pipe bracket                      | 832425 |
| 121    | PN-121      | Noise filter                          | 832426 |
| 130    | PN-130      | Heat exchanger (32)                   | 832428 |
| 131    | PN-131      | Heat exchanger (26)                   | 832427 |
| 135    | PN-135      | Overheat switch                       | 832429 |
| 138    | PN-138      | HEX exit Thermistor                   | 832430 |
| 140    | PN-140      | Heat exchanger assy                   | 832431 |
| 142    | PN-142      | HEX gasket                            | 832432 |
| 145    | PN-145      | CONDENSATE TRAP ASSY                  | 832433 |
| 150    | PN-150      | Electrode assy                        | 832434 |
| 200    | PN-200      | Exhaust duct (Internal)               | 832435 |
| 204    | PN-204      | Exhaust Thermistor (Internal)         | 832436 |
| 240    | PN-240      | EXHAUST PIPE ASSEMBLY                 | 832439 |
| 400    | PN-400      | WATER INLET                           | 832440 |
| 401    | PN-401      | Water supply filter                   | 832441 |
| 403    | PN-403      | Water Flow sensor                     | 832442 |
| 405    | PN-405      | O-Ring                                | 832461 |
| 406    | PN-406      | Bypass servo assy                     | 832443 |
| 408    | PN-408      | Water Inlet Thermistor                | 832444 |
| 411    | PN-411      | O-RING                                | 832462 |
| 432    | PN-432      | O-Ring                                | 832463 |
| 460    | PN-460      | Servo device assy                     | 832445 |
| 462    | PN-462      | HW CONNECTING PORT                    | 832446 |
| 465    | PN-465      | Hot Water Outlet Thermistor           | 832447 |
| 471    | PN-471      | O-Ring                                | 832464 |
